Welcome to the BIBF of the Future

The BIBF is a not-for-profit organisation, governed by the Central Bank of Bahrain, and has been established more than 40 years ago, providing training locally and globally.

Inspired by the modern architecture of the building overlooking the Arabian Gulf, the Bahrain Institute of Banking and Finance (BIBF) provides a state-of-the-art educational infrastructure to students and learners of all levels, epitomising its vision to be the Institute of Choice for the Development of Business Professionals not only in the Kingdom of Bahrain, but also regionally and internationally.

The BIBF's new headquarters enjoys a dominant location, in the heart of the financial sector, located on the North Shore Highway and surrounded by the most iconic buildings and landmarks of Bahrain Bay, hosting a wide view towards Manama's north shore.

Beyond the Space... Create Memorable Experiences

The Bahrain Institute of Banking and Finance (BIBF) new headquarters in Bahrain Bay, encompasses a variety of spaces which includes: a state-of-the-art Auditorium, smart classrooms, conference rooms, and reception venues. Our facilities are designed to enhance and to attract a broad range of cultural, educational, and artistic directions that are aligned with the mission and the vision of the BIBF.

The BIBF offers beautiful and unique facilities that can accommodate events and meetings of various types and sizes! Spaces available for your upcoming conference, meetings, or special event range from the stunning State-of-the-Art Auditorium to the multi-purpose hall to Smart Classrooms that can be used for various occasions.

The BIBF Facilities Rental serves both internal and external clients. We have hosted many specialized national forums and conferences, educational and community supportive events, including vendor areas, and critically acclaimed local and international speakers throughout the seasons at our campus.

Whether you would like to have a small private engagement or host a larger corporate event, we offer a variety of functional spaces that you can choose from that are competitively priced, centrally located and equipped with all essential services.

Audio-visual equipment and full media services throughout the event proceedings are included in the rental packages. Conference guests will also be provided with parking facilities free of charge in the adjacent parking building or the VIP parking right in front of the Main Entrance.

THE BIBF, Bahrain Bay

The iconic HQ building acts as a prime visible Manama landmark at its highest point. Its crisp glass and aluminium façade reflect the sunlight during the day, and illuminates the area during the evening, providing an impressive principal entrance to the building.

The building infrastructure influences how students, staff and visitors feel when they first enter the campus and as they move across it. The quality and various divisions of halls and study areas around the building, signage, lighting, safety and security, branding, and facilities all contribute to the experience and the impression of the Institute that people draw as a result.
